Telephone and Facsimile: (01720) 422768

*Harbour Master: Dale Clark*

# **ST MARY'S HARBOUR** **LOCAL NOTICE TO MARINERS** **18/14**

**Valid From: Tuesday 15<sup>th</sup> May 2014**

### **WAVE BUOY**

Mariners are advised that Fugro EMU Limited intends to deploy a directional wave rider buoy (shown below) in the following position

LATITUDE	LONGITUDE
49°53.5180'N	06°18.7320'W –
	Approx 7 cables
	SSW of Peninnis
	Head

The wave buoy is 0.9m in diameter and is painted in high visibility yellow paint. It has a flashing LED light on top of the transmitter aerial (flashing 5 times every 20 seconds). The buoy is also equipped with radar reflectors.

Mariners are requested to give at least 200m clearance from the buoy at all times – in accordance with the current MMO license.

Any questions or concerns should be reported to Fugro EMUs Met Ocean Department on 02392 205510

**Local Notice to Mariners in force: 15/14 and 17/14**
