**LNtM No. 22/14**  
**INTER ISLAND CABLE LAYING**  
**BT PROJECT**

**Valid From: Monday 14<sup>th</sup> July 2014**

Mariners are advised that submarine cable laying operations will be taking place in the positions given below. Mariners are requested to give the vessels named below a wide berth and keep clear. For further information please contact St. Mary's Harbour office.

**Subject: Inter Island Cable Lay – Isles of Silly, BT Project.**

In line with the awarded MMO licence we can now confirm that Falmouth Divers Ltd on behalf of BT Subsea will be undertaking the installation of two submarine fibre optic cables as follows:

**Project Start Date: 14<sup>th</sup> July 2014**

**Project Completion Date: 25<sup>th</sup> July 2014 (unless weather delays prolong programme)**

**Cable 1**

Submarine Cable between: Isles of Scilly - St Marys - 49°56' 08"N, 06°18' 33"W

And: Isles of Scilly - Tresco - 49°56' 68"N, 06°19' 41"W

**Cable 2**

Submarine Cable between: Isles of Scilly - Tresco - 49°57' 41"N, 06°20' 53"W

And: Isles of Scilly - Bryher - 49°57' 34"N, 06°20' 90"W

Relevant Admiralty Chart: 883 – Isles of Scilly, St Marys and Principal Off Islands

Lay Vessel: MTS Viking, LOA 22.5m, Beam 7.5m, Draft 1.5m (loaded)

Our cable lay operation should not at any time cause obstruction to the navigable waterway, however we would request all craft pass the MTS Viking with reasonable clearance

**Local Notice to Mariners in force: 15/14, 16/14, 17/14 and 18/14**

Dale Clark  
Harbour Master
