PRECIOUS LIVES ATLANTIC CHALLENGE

Valid From: Tuesday 5th August 2014

Mariners are advised that on Tuesday the 5th August we expect to welcome the record breaking rowers Elliott Dale & Chris Walters after rowing 3,246 Nm from New York in aid of the Precious Lives Children's Hospice South West

This momentous occasion will see Chris & Elliott set the fastest time for a pair of rowers from New York to Scilly in an open class rowing boat and we look forward to welcoming them as they make landfall in St. Mary's Harbour.

Please be advised that a number of local tripper boats, small private boats, local gig rowers and official race boats will be cheering them home as they make their approach to St. Mary's Harbour. There is likely to be a large number of craft in and around the harbour and we advise anyone not looking to take part in the celebrations to keep well clear of the "flotilla".

Please also note that flares will be set off in celebration by the rowers and their team as they approach.

You can keep up to date with the rowers and donate if you wish at the following site.....
