LNtM No. 09/18
ST. MARY'S HARBOUR
LOCAL NOTICES TO MARINERS

Seasonal (June until November) floating seawater intake, Pelistry Bay

Start date: 15th June 2018

Mariners are advised that a seawater intake has been installed, as shown in the pictures below, in the vicinity of Pelistry Bay, St Mary's, Isles of Scilly, in position:

49°55'39.6N 006° 16'46.9W

The pipe is of floating construction and is visible along its whole length. The seaward end is lit with an orange continuous flash every three to four seconds.

For further information please contact the Council of the Isles of Scilly on 01720 424000 or enquiries@scilly.gov.uk

Please cancel LNtM 07/18
