LOCAL NOTICE TO MARINERS
No. 05/19

DIVING OPERATIONS WITHIN ST MARY'S
HARBOUR

Valid from: 08/03/19

Mariners are advised that 'Seawide Services' vessel, BOY BRENDAN, will be carrying out mooring maintenance, including diving operations within St Mary's Harbour from the date above, for approximately 14 days. The majority of work will be concentrated within the inner harbour but will extend to all areas, including the approaches to the Harbour at times. Please give a wide birth and contact on VHF Ch. 16 if required.

- 08/16 - Installation of seasonal water inlet at Pelistry Bay (St Mary's)**
- 02/19 - Damage to fender in outer berth of St Mary's Harbour**
- 03/19 - Annekas Quay light intermittent**
- 04/19 - Bacon Buoy off station**

All LNtMs are available online at www.stmarys-harbour.co.uk
