ST. MARY'S HARBOUR **LOCAL NOTICES TO MARINERS**

LNtM No. 08/20

Change to restrictions on vessels visiting from **outside England, the Channel Islands and ROI**

Start date: 20th July 2020

From 10th July 2020 visitors will **not** have to self-isolate when arriving in England, if:

- They are travelling or returning from one of the countries with an exemption
- They have not been to or stopped in a country that's not on the exemption list the previous 14 days

The list of exempt countries can be found here

<https://www.gov.uk/guidance/coronavirus-covid-19-travel-corridors#travel-corridors-countries-and-territories-exemption-list>

Please note it does not include Portugal (including the Azores) and Sweden. Visitors from these countries will still have to isolate for 14 days.

Before arrival in England, visitors must complete a passenger locator form and present to UK Border Force, via their online link here

<https://www.gov.uk/provide-journey-contact-details-before-travel-uk>.

This applies to both visitors and UK residents.

The updated rules only apply within England only.

LNtM in force: 05/20, 06/20, 07/20

All LNtMs are available online at www.stmarys-harbour.co.uk
