ST. MARY'S HARBOUR **LOCAL NOTICES TO MARINERS**

LNtM No. 03/22

Seasonal (01/04 'til 31/10) floating seawater intake, **Pelistry Bay**

Mariners are advised that a seawater intake will be installed, as shown in the pictures below, in the vicinity of Pelistry Bay, St Mary's, Isles of Scilly, in the approximate position:

49°55.65'N 006° 16.60'W

The pipe is of floating construction and is visible along its whole length. The seaward end is lit with an orange continuous flash every three to four seconds.

For further information please contact South West Water.

LNtM in force: 01/21

All LNtMs are available online at www.stmarys-harbour.co.uk
