Harbour Master: Dale Clark

LOCAL NOTICE TO MARINERS
No. 07/23

Seasonal (April until October) floating seawater intake, Pelistry Bay

Start date: 11th April – 1st December 2023

Mariners are advised that a seawater intake has been installed, as shown in the pictures below, in the vicinity of Pelistry Bay, St Mary's, Isles of Scilly, from the shore out to a position:

49°55.65' N 006° 16.6'W

The pipe is of floating construction and is visible along its whole length. The seaward end is lit with an orange continuous flash every three to four seconds.

For further information please contact South West Water on 01720 424381 or email hrichard@southwestwater.co.uk

LNtMs in force: 01/23

All LNtMs are available online at www.stmarys-harbour.co.uk
